presents Behind the Scenes of Washington

During the past year Washington Preparatory High School's family has been focused on by movie cameras and the cameras of the leading television networks. We have seen ourselves as we look "on camera." Here we present ourselves as we live our daily lives: learning, leading, enjoying life and helping one another. Here is the spirit of the Generals.

The Dance Troupe

Started in 1983, the Dance Troupe is a group of young dancers who wish to become professional dancers after they graduate. A dancer must practice long hours. Rehearsals are daily from 2:00 pm to 4:30 pm and again on Saturdays. Their performances and the advent of street dancing have attracted young men to learn to dance to complete the Troupe.

The Troupe is sponsored and taught by Mrs. V. White, a Washington graduate. While an undergraduate here, she was a member of the original Washington Dance Troupe and won a scholarship to the Ebony Showcase Theatre. Further training brought her to be Dance Captain of the Repretory Dance Theatre of Los Angeles. Her hope is that she will be able to form a professional Junior Company from the students who graduate from Washington.

Model United Nations

M.U.N. is a nationwide organization of schools interested in participating and identifying with the interrelated problems of our world today. Before a conference each participating school is assigned several Nations and must be prepared to deal with these countries' problems currently on the United Nations' agenda. Research is done once or twice a week at the Libraries of the University of Southern California and the University of California at Los Angeles. At the conference prepared students then represent their countries in debate.

During the Fall semester eleven students from Washington Preparatory High School were able to attend the Harvard University Conference in Boston, Massachusetts. Michael Brooks, Rochelle Dorn, Billy Hull, Doug Jeffle, Melanie Lapeyrolerie, Patrina McKissock, Hollise Mitler, Kevin Smith, Chris Walker and Robert Whitney, accompanied by the sponsor, Ms. L. Kund, attended.

The M.U.N. experience teaches students to negotiate, compromise and learn how to make difficult decisions.

The Continental Staff

The Continental Staff produces the Yearbook. Although some staff changes are made at the end of the first Semester, these students produced all the early deadlines with the publisher.

The Surveyor Staff

The school newspaper is published at least once a month throughout the school year. Students in the Journalism classes form the contributing reporters and the editorial workers. This year the editorial cartoonist was Alex Carnes. Mr. Miller is the sponsor.

Activities

The Glass Menagerie

The Fall Play, The Glass Menagerie, by Tennessee Williams, was presented on the evenings of December 1 and December 2, 1983. The Play Production Instructor was Steve Johnson.

Performers

Laura Wingfield	Deadra Elam
Amanda Wingfield	Paulette Adams
Tom Wingfield	. Derrick Watson
Jim O'Connor	Alton Hardy

Many others assisted in this great presentation. Drenda Ellis understudied the part of Laura Wingfield, just as Madeline Gomillion understudied Amanda Wingfield and Rodrick Livingston understudied Jim O'Connor. Technical and production support people included Tatia Ingram, Lilly Mitchell, Kimberly Vinson, Anita Johnson, Natalie Kelly, Steve Reliford and the Stage Crew.

Peace On Earth

This year the Holiday musical extravaganza was held on Wednesday, December 14, 1983, with an exciting Assembly program for the students in the day and a celebration of instruments and voices that night. A banner, "Peace On Earth," made by Frank Morales of Mrs. D. Hanan's Art Production class, hung above the stage; four days later it led the spirit of the student and community March for Peace and Non-Violence.

Mr. M. Cargill, string instructor, Mr. E. Jackson, band master, and Mr. R. Harris, vocal instructor, combined their musical talents to arrange and produce a true Holiday show. Audio control was directed by Mr. S. Johnson and staging was done by Mr. J. Morosan and his Stage Crew.

"Peace On Earth" was a beautiful celebration of the joys that music can bring to the heart and the outstanding talents with which the Generals have been blessed.

WASHINGTON PREP HIGH SCHOOL

NON-VIOLENCE & PEACE "A WAY OF LIFE" COMMUNITY MARCH DEC. 18, 1983

The school year 1983-84 was one of the most significant in the history of Washington Preparatory High. One significant event was the "First Annual Community Non-Violence and Peace March".

The students, faculty, community organizations and religious members gathered on campus. These non-violent members marched from the campus to Jessie Owens Park. The theme "Non-Violence A Way of Life" was discussed by Religious members, students and the principal of George Washington Preparatory High. The most significant factor was a contract that students and family members would adhere to during the months of December and January and hopefully carry through life of all members involved.

Astronaut Bluford

Mayor Tom Bradley declared December 2, 1983, Guion S. Bluford, Jr. Day in Los Angeles to welcome Lt. Colonel Bluford, the first black man in space. After the official ceremonies, the astronaut honored W.P.H.S. by coming to our campus and speaking to a special assembly of students and community members.

He was introduced by Student Body President, Hector Acosta, and welcomed by the principal, George J. McKenna III. Lt. Colonel Bluford told the students of his background, his drive for education and his hopes that they could share his goals. It takes commitment to achieve what he has accomplished: graduated from Overbrook Senior High School, Philadelphia, 1960; B.S. in Aerospace Engineering from Pennsylvania State University, 1964; M.S. in Aerospace Engineering, Air Force Institute of Technology, 1974; and a doctorate in Aerospace Engineering, with a minor in laser physics, from the Air Force Institute of Technology in 1978.

Mankind can function outside Earth's atmosphere. The planets are closer than the stars, but the stars are there. You can be the generation that goes to the planets and beyond to the stars.

The Winter Ball

The Junior-Senior Winter Ball was held Friday night, December 9, 1983, at the Park Plaza Hotel. It show-cased lovely people for a lovely evening. Mr. Nagy was Santa Claus, investing the dance with merriment. The Winter Ball was an elegant, gracious, gorgeous social celebration of the Winter Holidays that were soon to come.

5th Annual Martin Luther King Day Symposium

"The Strength to Love"
A Salute to Dr. Martin Luther King Jr.
January 13, 1984

This year 1984 marked the 5th Annual Martin Luther King Day Symposium. The theme this year "The Strength to Love" was highlighted by a special program. The symposium started the day by guest arrivals which met in the auditorium foyer, discussion sessions, raising of Dr. King Flag, homeroom activities, dramatic presentations, musical selections, and concluded with the closing by remarks by George J. McKenna III.

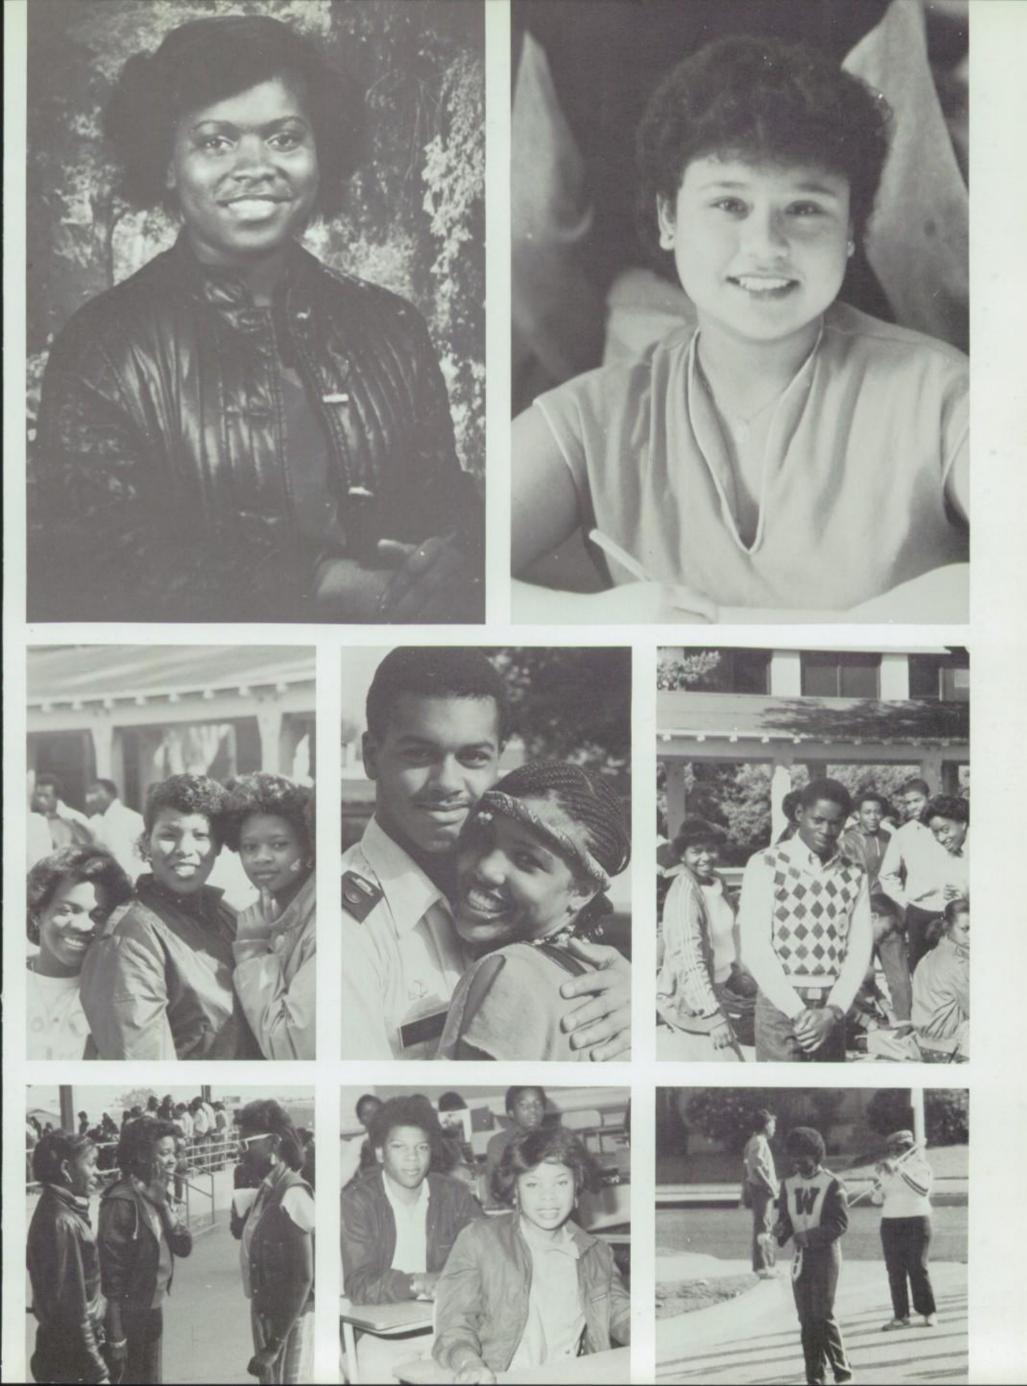

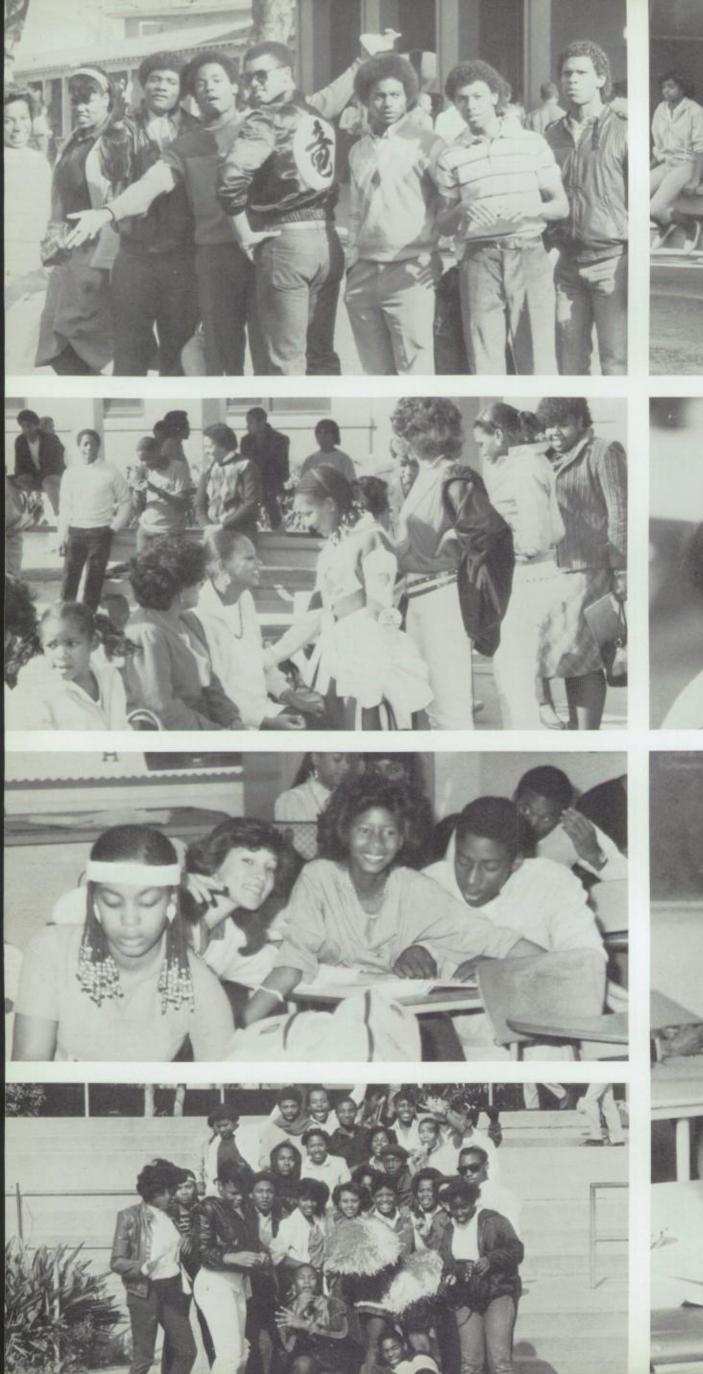

The school year 1983-84 was one of the most significant in the history of Washington Preparatory High. A number of noteworthy events put our school in the spotlight both locally and nationally, including visits by Mayor Tom Bradley and Astronaut Guy Bluford, the first annual community Nonviolence and Peace March, recognition by President Reagan of Washington Prep as an outstanding school and a national model, and an invitation extended to me as Principal to visit the White House to discuss our programs here at home.

The credit for all of these important events goes to the outstadning student

body, particularly the senior class of 1984, the exceptional teaching staff, and the tremendous support that we receive from our Parent Community Support System. We truly have a "Family" that is becoming a model of excellence for other schools across the country. You as students, have much for which you should be proud. You have made Washington Prep one of the finest high schools in the nation, and we now have a waiting list of students who wish to enter. This is a far cry from four years ago, when large numbers of students were seeking to attend other schools in other neighborhoods, rather than attend Washington High.

We have come a long way, but we still have a long way to go. We will continue to strive for excellence at **all** levels, both in our student and teacher performance, and in the involvement of our parents in the daily school operation.

Remember that **You** as students are responsible for setting the example to others, so that we can create a world in which **all** of us can live in peace and freedom. The ability to love each other is the key ingredient, and with what you have learned here, I am confident that you will be faithful ambassadors. The future belongs to you — protect it well.

Sincerely, George J. McKenna, III Principal

CHANGE, CHALLENGE - CHOICE

As you pursue and achieve academic excellence, may you set goals for yourself that will bring about positive changes that will enhance, not only the accomplishment of your educational goals but, also, bring about positive changes for the good of all man-kind. Often, it may become easier to be complacent — to be satisfied with the status-quo. To allow this to happen means that you have stagnated the ingredients for potential growth.

Be unafraid to meet changes. Know that the road to success may present many obstacles. It is the facing of these challenges that will lead to self-satisfaction. Find the inner-strength from these challenges and consider the accomplishment of each as a victory won.

Choices in the 21st Century — the year 2,000 will be yours. Remind yourself of the many careers that will be available for those who are prepared. BE PREPARED.

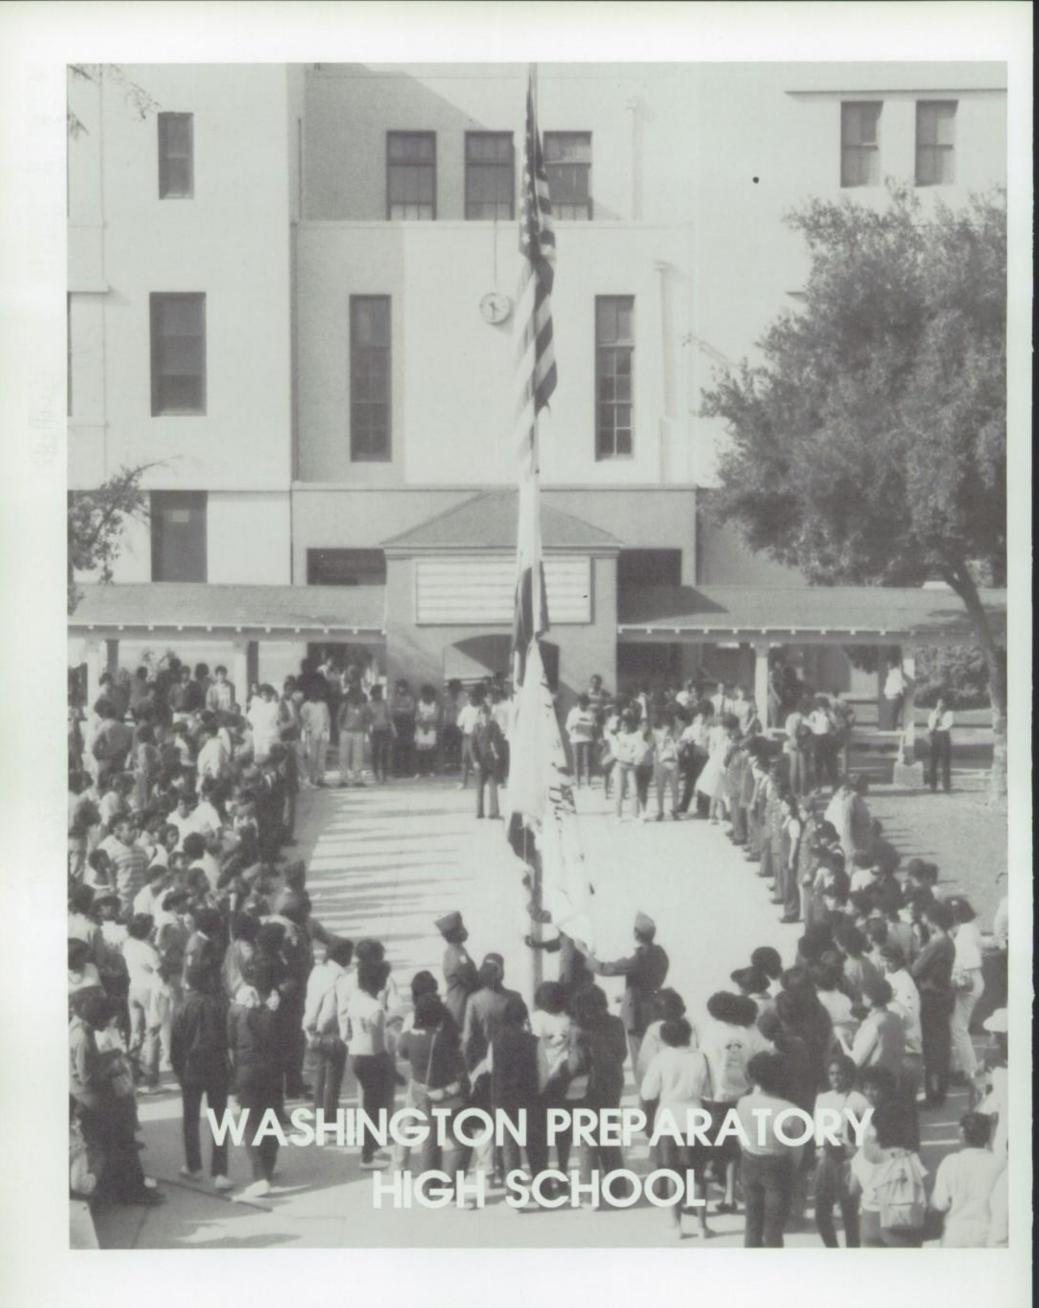

Your future will involve CHANGE, CHALLENGE and CHOICE.

The 1983-84 school year here at Washington Prep has been highlighted by a number of historic occurrances. Our principal has conferenced with the President of our country, we have received much positive local, state and national publicity and the Class of 1984 has proven to be one of the finest Senior Classes ever to grace the halls of Washington Prep. Our teaching staff is among the districts finest and the implementation of special intra school attendance, tutoring and counseling programs designed to improve student achievement has achieved reasonable success in their embryonic stages.

Let us not as students, staff or parents be lulled into complacency because of the positive occurrances of this school year. This has been a pivotable year in which many programs have been initiated. Let it be known to all, that this year is a beginning and that there is still much work to be done. The true historic significance of the 1983-84 school year should be that

it was the year that marked the beginning of the programs and the people in those programs who propelled Washington Prep into its finesse hour-overall academic excellence.

THE WASHINGTON "GENERALS" TRACK TEAM IN $\operatorname{\mathbf{ACTION}}$ AGAINST — THE DORSEY DONS

SPOTLIGHT ON THE GIRLS TRACK TEAM

Washington Preparatory High might have a very good young ladies track team this year. We have some members that work very hard to help support our team, and participate in helping the girls track team. Washington Prep has one student who will be helping in the 1984 OLYMPICS. This young lady's name is Felicia Morgan. Felicia runs the 880. We also have a young lady who holds a 4.0 GPA. It's pleasant to have an academian on our team at Washington Preparatory High. This young lady's name is Teresa Wilson. Monica Cancler is also a part of our family and is a very outstanding athlete. Monica runs the hundred yard dash and also the 440 yard relay. Monica Cancler received an outstanding trophy for Varsity Basketball this year. We would also at this time thank all of our community members who have been supportive of our team.

GIRLS GYMNASTICS 1984

The girls gymnastic team has been replaced in the Harbor League this year. Washington has won both matches against South Gate and Roosevelt. The team seems to be strong although three fourths of the members are all new tenth graders. The captain this year is Vivian Allen and Co-Captain Yolanda Mitchell.

Teams which Washington will compete against are: San Pedro, Carson, Banning and Hamilton High School.

Our Strongest 11th graders are Justine Sauls and Kimberly Walker. Our other members are striving although previous members and new team mates are working to place in Semi Finals. This year for the "ALL CITY FINALS" as Washington had done for the past 14 years.

PRO MATERIAL

"YES, THAT'S RIGHT" The GENERIANS CLASS OF "1984" have some good candidates for playing baseball in the MAJOR LEAGUES. The candidates consist of Alvin Sisney, Paul Newman, and possibly Damon Haley and James Morrison. The GENERIANS CLASS OF "84" can be proud of all of the Seniors on Washington Prep High School Baseball Team, including Kenny Washington, Jariod Wildridge. They all have contributed immensely to the team success, during their tenore at "Washington Prep High School". The varsity team has finished in 1st place, and 2nd place twice in their league within the last three years, according to COACH TAYLOR.

Special thanks and plaudits go to coach Taylor, the staff and all the SUI GENERIANS of the Varsity Team.

SUI GENERIANS vs. EL MONTE

Catcher Alvin discussing strategy with pitcher, D. Hill.

Paul Newman warming up his bat. His batting average is above .350.

Alvin beating the tag at second base. He collected three hits, a walk and produced a number of scoring runs against Fremont High. The Generals won 20-6.

Senior Recognition Day

The Senior Recognition Day Program was held Friday afternoon of February 24, 1984, in the Auditorium of George Washington Preparatory High School. Dr. Bobby Brown, the disk jockey of radio station KJLH was the guest celebrity. Seniors prepared a program of skits, vocal and instrumental presentations, dances, humorous commercials and featured the Senior Cheerleaders.

ART DEPARTMENT

THE PLACE FOR STUDENTS OF THE 80'S

UCLA

- An excellent liberal arts education in a dynamic setting
- Superior teaching faculty and academic resources
- Diverse and energetic student body and extracurricular activities

Congratulations from The Brotherhood Crusade Black United Fund

Providing assistance to the Black community through self help and mutual aid, teaching the age-ald lesson that we must do something for aurselves, providing ever present evidence that we can achieve what we canceive if we believe. The Brotherhood Crusade has recently purchased this permanent home that is being utilized by our community to house health, education, cultural, economic and social programs that can not get support from outside our community.

"Through your support we are building our community and helping people help themselves."
